Dear concertgoers,

To ensure that everyone enjoys a wonderful evening and that admission runs smoothly, please read and follow the instructions below carefully.

Eventim.Pass

Admission is only possible with the Eventim.Pass, which you can find in the Eventim.App under 'Tickets'. Detailed instructions for the Eventim.Pass can also be found here: www.eventim.de/campaign/pass?affiliate=GMD

The admission code is usually activated 24 hours before the concert, so don't worry if you can't see it yet. Please note that screenshots, printed barcodes or additional memory tickets will not be accepted at the entrance and admission will only work with the Eventim.App. Therefore, please ensure that your smartphone is sufficiently charged.

Please have your smartphone ready and open the Eventim.Pass when you arrive so that ticket checks can be carried out as quickly as possible.

fanSALE

If your plans have changed and you are no longer able to attend the concert, please use Eventim's fanSALE to sell your ticket safely and easily. Please note that tickets for wheelchair users and persons with severe disabilities are excluded from fanSALE.

Further information about your Florence + The Maschine concert can also be found in the Eventim Help Centre:

SAFETY RESTRICTIONS

For safety reasons, it is prohibited to bring glass bottles, cans, hard packaging or other items that could be used as projectiles (e.g. deodorant, perfume, etc.) onto the premises. These items will therefore be confiscated at the entrance.

Bags only up to max. DIN A4 (21 cm x 29.7 cm)

The ban applies to bags and backpacks whose largest side is larger than the 'A4' format (21.0 x 29.7 cm).

In order to minimise waiting times at the entrance, we kindly ask concertgoers to refrain from bringing bags with them. There is no possibility to leave bags on site.

Admission will be granted with smaller bags (bum bags, small shoulder bags, clutches), but we ask that you limit yourself to the absolute minimum (e.g. money, medication). E-cigarettes are permitted.

For safety reasons and to speed up admission checks, the following items may not be brought into the venue:

- Large bags such as backpacks, shopping bags, travel bags, suitcases, baskets and cool bags
- Professional cameras with interchangeable and/or zoom lenses and video function
- Audio and video recording devices of any kind

ARRIVAL

We recommend traveling to and from the venue by public transport (except special transport), as your concert ticket entitles you to use this and parking spaces on site are limited.

Please note: You must book your local transport ticket as a combined ticket in an additional step. You will receive a separate email from Eventim in good time before the date. Without this additional (free) booking, you will not be able to use public transport. Both tickets (event ticket and travel authorization) must be presented together during ticket control.

Stops for the subway, tram, bus, and S-Bahn lines are within walking distance of the Olympiahalle. Paid parking is available at the Parkharfe, the parking deck at the Olympic Tower, and the parking lot at the Olympia Action Sports Center.

Further information on how to get there can be found here:

YOUTH PROTECTION REGULATIONS

The following youth protection regulations apply to the concert:

If you are under 14 years of age, you must be accompanied to the concert by a parent or guardian with appropriate proof (Muttizettel). This person must be mature enough to provide you with the necessary support. Please bring your ID with you and show it at the entrance.

If you are over 14 years of age, you may attend the concert alone.

We recommend that children under the age of 8 do not attend the concert; children under the age of 6 are NOT admitted.
