Intensive Security Measures at all Live Nation Concerts

No bags, backpacks, and larger handbags as well as helmets

Special, stricter screening and pat down search

The protection and wellbeing of our concert visitors is a key concern for us. Therefore, intensive security precautions are still required at all Live Nation events. In particular, open-air events and concerts in arenas and larger halls continue to be subject to special security checks.

All visitors will be checked. For example, it is prohibited to bring bags, backpacks, helmets, umbrellas, and containers of all kinds.
Visitors are kindly requested to limit themselves to essential items such as mobile phones, keys, wallets as well as any vital medication and cosmetics (no deodorants, perfumes, or hair sprays) carried in fanny packs or small cosmetic bags not larger than DIN A4.

Compliance with the rules and instructions, as well as early arrival at the venue will help make the admission process as quick as possible. We thank you for your compliance and understanding.

Prohibited are:

- Professional cameras, audio, or video recording devices
- GoPro´s, tablet PC´s, selfie sticks

- Fireworks, laserpointers, air horns
- Weapons, knives, sprays (except medical sprays)
